## ABOUT US

Established in 2026, Alabapu Oil Mill is a trusted manufacturer and supplier of high-quality groundnut based products. Under the leadership of Mr. Alpesh Karmur, the company focuses on delivering pure, hygienically processed and nutritionally rich edible oil products to meet the growing market demand across India.

We specialize in products such as Double Filtered Groundnut Oil, Virgin Groundnut Oil and Groundnut Oil Cake, which are widely appreciated for their natural processing, rich aroma, nutritional benefits and suitability for cooking as well as agricultural applications. Our manufacturing process follows proper quality standards to ensure consistency, purity and customer satisfaction.

With a strong commitment to quality, timely supply and competitive pricing, we aim to build long-term business relationships with our clients. At Alabapu Oil Mill, our goal is to provide pure, healthy and reliable groundnut products that support both household consumption and farming needs.
