# About Us

PK Farms was established in 2022 in Tamil Nadu, India, as a reliable Manufacturer, Supplier, and Exporter of premium quality live pigs. The farm specializes in supplying Live Pig, Healthy Live Pig, Disease Free Live Pig, and Farm Raised Live Pig that are nurtured under hygienic and well-managed farming conditions. With a strong focus on animal health, nutrition, and ethical farming practices, PK Farms ensures high-quality livestock suitable for various commercial and agricultural needs. The farm follows proper feeding, veterinary care, and breeding practices to maintain superior standards. Committed to quality and customer satisfaction, PK Farms continues to build strong relationships with clients in domestic and international markets.
