Vamika International is a leading exporter and supplier of high-quality industrial fasteners and engineering components from India. Based in Ahmedabad, Gujarat - one of India's major manufacturing hubs - we specialize in delivering precision-engineered fastening solutions to global markets.

With strong sourcing networks and strict quality control systems, we cater to diverse industries including construction, infrastructure, oil & gas, fabrication, automotive, heavy engineering, renewable energy, and general manufacturing.

Why Choose Us?

- Strong export experience with complete international documentation support
- Wide range of fasteners under one roof
- Strict quality control as per DIN, ISO & international standards
- Secure export packaging with custom branding options
- On-time delivery with reliable supply chain network
- Competitive pricing with flexible order quantities
- Customer-focused approach with quick response & technical support
