Trans Green is functioning as Human Hair Manufacturer, Supplier and Exporter. Situated in Punjab (India), the company is managed by CEO Mr. Ravi Badhwar. The veteran owner has more than a decades experience and it is owing to his guidance that the company is prospering day by day.

Network

We not only cater to the requirements of the buyers across the country but also take bulk orders from the clients located in different parts of the world. Thus, we have a huge networking across the globe. World some of the regions where we have widespread networking are :

- North America
- South America
- Eastern Europe
- Southeast Asia
- Africa
- Oceania
- Mid East
- Eastern Asia
- Western Europe
- Central America
- Northern Europe
- Southern Europe
- South Asia

Quality Assurance

Due to our compact, dust-free plant designed in compliance with international standards and our own designed machinery for manufacturing hair, we can delicately ensure that the quality of the hair will not be destroyed during the manufacturing process. Besides, the Hair Products are keenly examined by the experts before being dispatched in the markets.

Why Us?

We have a well-developed infrastructure that backs us to function efficiently. Along with this, following are the factors that support us and consequently, make us the favored choice of the buyers :

- Large manufacturing unit spread over 4700 square yard
- Customized Packaging Facility
- R&D Facilities
- Valuable services-Offered by us
