We are successfully entering in the field of sugar business.

INDIAN EXIM is a rapidly growing company engaged in the business of exporting, supplying, and trading premium quality rice varieties across domestic and international markets. Established in 2025 under the leadership of Anshika Yadav, the company is committed to delivering high-grade Basmati and Non Basmati rice that meets global quality standards.

We specialize in a wide range of rice products, including 1121, 1718, 1509, Pusa, Sugandha, Sharbati, PR series, and Non Basmati rice, available in raw, steam, sella, golden sella, and non pesticide variants. Our products are carefully sourced, processed, and packed to ensure long grain length, natural aroma, superior taste, and consistent quality.

At INDIAN EXIM, we focus on customer satisfaction, timely delivery, and competitive pricing, making us a reliable partner for bulk buyers, wholesalers, and international importers. Our strong network and efficient supply chain enable us to fulfill large-scale orders with precision and consistency.

We adhere to strict quality control measures and ensure that every product meets the expectations of our clients worldwide. With a vision to expand globally, we aim to build long-term relationships based on trust, transparency, and excellence.

Our commitment lies in providing premium rice solutions that cater to diverse culinary needs while maintaining international export standards and quality assurance.
