About Us

Established in 1999 by our visionary founder, Mr. Tusharbhair Subhodhbhai Shah, Tushar Enterprise has spent over two decades building a reputation as a trusted manufacturer and supplier of high-quality industrial conveyor systems and material handling components. Operating with a dedicated, close-knit team of under 20 skilled professionals, we pride ourselves on agility, precision engineering, and an unwavering commitment to quality. From our roots in Gujarat, we have expanded our reach to serve a diverse industrial clientele Pan India.

Our Core Product Offerings

We specialize in engineering robust, high-performance solutions designed to keep your production lines moving seamlessly:

Conveyor Belting: PTFE Conveyor Belts, Wire Mesh Conveyor Belts, and high-durability Plastic Modular Belts.

Industrial Chains: Thermoplastic Chains, Curved Modular Chains, and Multiflex Chains built for complex routing and smooth operations.

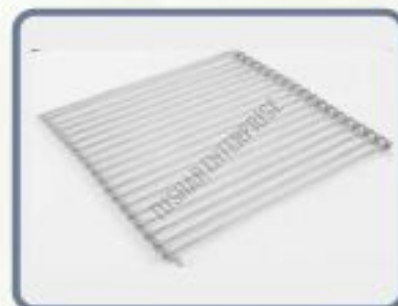

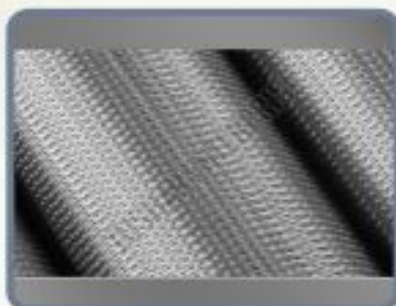

Elevator Components: Rugged Elevator Buckets and high-tensile Mild Steel Elevator Bucket Bolts designed to withstand demanding vertical transport conditions.

Why Partner With Us?

Decades of Expertise: With over 25 years of industry experience, we understand the unique demands of modern manufacturing pipelines.

Pan-India Reach: Wherever you are located, we ensure prompt and reliable supply to keep your operations running with minimal downtime.

Quality-First Approach: As a registered entity (GST: 24APFPS2815D1Z), we maintain strict compliance and high standards across our entire manufacturing and supply cycle.
