# ABOUT US

Ravi Impex is a newly established and rapidly growing company engaged in the supply and trading of high-quality women's apparel across India. Founded in 2026 and led by Ms. Bhavna, the company operates as a sole proprietorship with a clear focus on delivering stylish, comfortable, and affordable fashion. With a dedicated team of 0-5 professionals, Ravi Impex is committed to building strong relationships with customers by ensuring reliability, consistency, and value in every product offered.

We specialize in a wide range of women's T-shirts, including plain cotton, printed, graphic, round neck, crew neck, and polo styles.
