Kayson Steelcast LLP is a sister company of Kesar Singh & Sons (Delhi) engaged in manufacturing of scaffolding accessories and scaffolding formwork. The company has gained great industrial expertise. Company was started by Late Sd. Kesar Singh ji under the name Kesar Singh & Sons in 1951 with the head office and warehouse situated in Chawari Bazar, Delhi – 6 , now Grandson Mr. Satnam Singh is the head of the companies with Great grand son Mr. Jaskaran Singh being the director of Kayson Steelcast LLP looks after the manufacturing unit in Jalandhar.

The business started as trading of goods but eventually with the young generation entering the business the company started its own manufacturing in Jalandhar with most modern & well-equipped machinery & latest techniques of proper quality testing's in both machine shop & foundry. Kayson Steelcast LLP has made immense progress over the past years as manufacturers and stockists of scaffolding accessories and complete formwork solutions. Our professionals work in close coordination to assure a high-quality assortment of products to the customers. We have recruited a team of professionals. In addition to this, to avoid disputes in the workplace, our professionals strive dedicatedly. Owing to our fair policies and the best quality products.

Kayson Steelcast LLP is symbol of trust and reliability.. People can always count on us for best quality, price and timely dispatch. It is our constant endeavors to add new products, to our range in order to be an integrated product supplier for our customers; this helps to maintain their competitive edge. Our web-site covers our entire present product range if there are any other items that you are interested, please let us know and we shall be very happy to develop them as per your specifications. We look forward to your continued support and co-operation and thank you for your confidence in our products and company.
