About Us

Established in 2023, FlowGuard is a trusted Supplier and Trader specializing in a comprehensive range of industrial valves designed to meet the diverse requirements of multiple industries across the Pan India market. Operating as an Individual Sole Proprietorship firm, the company has gained recognition for delivering reliable products, prompt service, and customer-focused solutions.

Under the leadership of Mr. Khan Irshad Ahmad, FlowGuard has built a strong reputation in the industry by supplying high-quality Butterfly Valves, Gate Valves, Globe Valves, Check Valves, Flush Bottom Valves, Pressure Reducing Valves, Plug Valves, Ball Valves, and Safety Relief Valves. Our extensive product portfolio includes Double Eccentric Flange Butterfly Valves, Triple Eccentric Butterfly Valves, Knife Gate Valves, Cast Steel Globe Valves, Wafer Type Check Valves, Carbon Steel Ball Valves, and many more industrial flow control solutions.

We source our products from reliable and quality-driven manufacturers to ensure excellent durability, precision engineering, corrosion resistance, and efficient performance. Our valves are widely used in industries such as oil & gas, chemical processing, water treatment, power plants, pharmaceuticals, petrochemicals, and general industrial applications.

At FlowGuard, we are committed to maintaining the highest standards of quality, transparency, and customer satisfaction. Our team focuses on understanding client requirements and delivering products that provide long-lasting performance and operational reliability. We believe in building strong business relationships through ethical practices, competitive pricing, and timely delivery services.
