Ophir International is a leading Merchant Exporter and Importer based in Indore, Madhya Pradesh – the commercial hub and heart of India. We specialize in connecting India's rich agricultural resources with the global FMCG and food ingredients market, delivering premium-quality products that meet international standards of quality, purity, and reliability.

Our Core Expertise

We specialize in the sourcing, processing, and global distribution of superior-quality dehydrated and dried products. Our key product portfolio includes :

- Onion Powder
- Beetroot Powder
- Garlic Powder
- Ginger Powder
- Carrot Powder
- Safed Musli Powder

A diverse range of FMCG products sourced from trusted and certified manufacturers.

Quality Assurance & Packaging

At Ophir International, quality is the foundation of our business. Every product undergoes stringent quality checks to preserve its natural aroma, flavour, freshness, and nutritional value.

We provide :

- **Standard Packaging**
Durable, export-grade packaging for safe and secure international transportation.
- **Customized Packaging**
Tailor-made packaging solutions including private labeling, custom branding, and flexible weight options to suit retail and industrial requirements.

Why Choose Ophir International?

- **Strategic Location** : Situated in Indore, we have direct access to Central India's major agricultural regions, ensuring fresh sourcing and competitive pricing.
- **Global Trade Expertise** : We efficiently manage international logistics, documentation, regulatory compliance, and import-export procedures.
- **Customer-Focused Solutions** : Whether you require bulk industrial consignments or customized retail-ready products, we offer flexible and dependable solutions tailored to your needs.
