ABOUT US

Established with a vision to deliver reliable scientific solutions, Chemlytix is a trusted name in the field of advanced analytical testing services, laboratory solutions, specialty chemicals, and scientific instruments. We are engaged in providing high-quality analytical services including Chromatography, Spectroscopy, Thermal Analysis, Material Characterization, Stability Testing, and Elemental Analysis for pharmaceutical, chemical, biotechnology, research, and industrial applications.

Our comprehensive service portfolio includes HPLC Analysis, GC-MS Testing, LC-MS Analysis, NMR Spectroscopy, ICP-OES Testing, SEM & TEM Analysis, XRD/XRF Analysis, Moisture Testing, Stability Studies, and Method Development Services performed using advanced analytical instruments and validated methodologies. We are committed to delivering accurate, reliable, and reproducible analytical results with fast turnaround time and professional technical support.

Apart from analytical services, we also deal in premium quality products such as Transmission Electron Microscope, Copper Sulphide Powder, Phenyl Acetyl Disulfide Liquid, and Sodium Sulfide Nonahydrate to support industrial and research requirements.

Backed by a team of skilled professionals and modern laboratory infrastructure, Chemlytix focuses on maintaining the highest standards of quality, precision, and customer satisfaction. Our commitment to innovation, technical excellence, and ethical business practices has helped us build strong relationships with clients across multiple industries.

SERVICES

Analytical Laboratory Service

Assay Titrations Analytical Testing Service

Capillary Melting Point Service

Certificate of Analysis Testing Service

Chemical Sample Testing Service

Chemical Testing Service

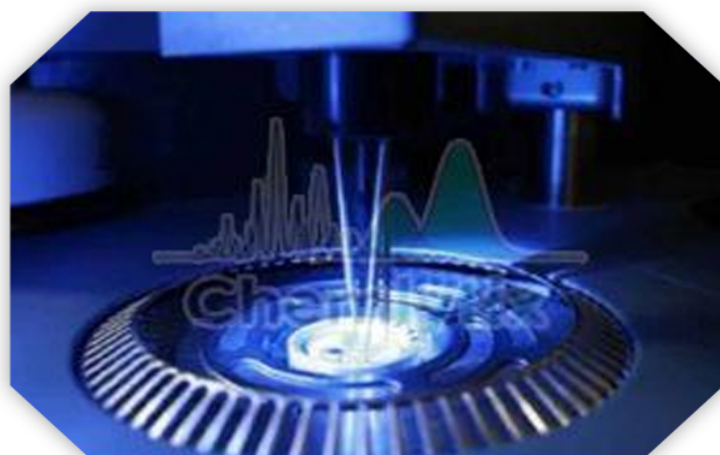

SERVICES

LOD Loss on Drying Analyzing Service

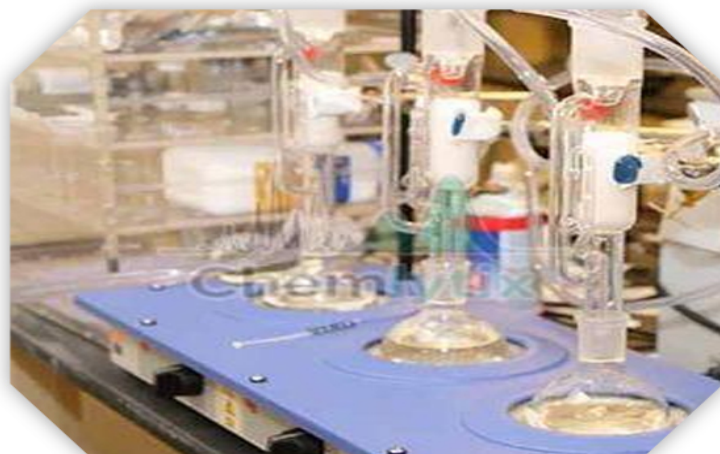

Moisture Content Testing Service

MR Melting Range Determination Service

Potentiometer Testing Services

ROI Residue on Ignition Testing Service

Analytical Method Development Service

SERVICES

Capillary Melting Point Service

Psd Analysis Service

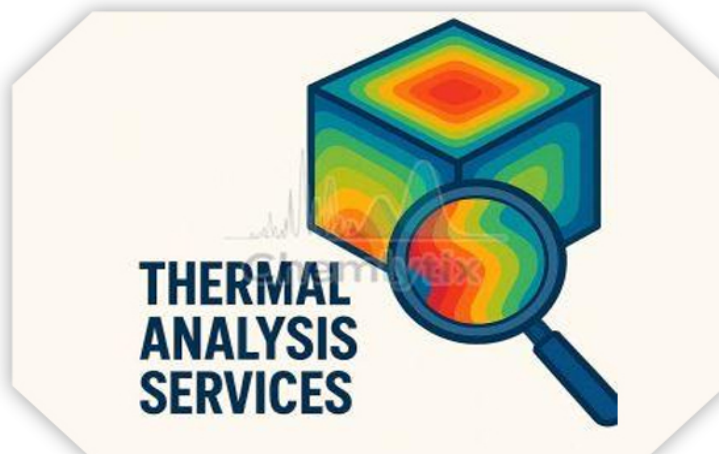

Sem Analysis Service

Potentiometer Testing Services

Tem Analysis Service

Thermal Analysis Service

SERVICES

X-Ray Fluorescence Elemental Testing Service

Xrd Analysis Service

GC Analysis Service

GC-MS Analysis Testing Service

Heavy Metal Analysis Service

HPLC Analysis Service

SERVICES

ICP-OES Analysis Service

LC-MS Analysis Service

IR Spectroscopy Analysis Service

Mass Spectrometry Analysis Service

NMR Spectroscopy Testing Service

DRS
