Founded in Kolhapur, Maharashtra, Adrushya Exim is a registered merchant exporter dedicated to delivering the finest Indian agricultural products to global markets. With strong roots in India's rich farming heritage and a modern international outlook, we bridge the gap between traditional quality and global trade standards.

The name "Adrushya", meaning invisible, represents our seamless behind-the-scenes efforts to ensure that every product we export meets the highest standards of quality. From turmeric and jaggery to premium chilli, we carefully source, process, and deliver products that reflect purity, authenticity, and excellence.

We believe in building long-term relationships with our global buyers based on trust, transparency, and consistent quality. Our commitment ensures that every shipment reflects our dedication to integrity and customer satisfaction.

Our Mission

Our mission is to become the most trusted bridge between India's agricultural excellence and global markets. We aim to deliver premium, ethically sourced spices and sweeteners with a strong commitment to quality, sustainability, and timely delivery.

Our Vision

Our vision is to become a globally recognized name in agricultural exports by 2030. We strive to empower Indian farmers, promote sustainable farming practices, and set new benchmarks in export quality and customer satisfaction.

Our Core Values

Unmatched Quality

We follow strict multi-stage quality control processes from farm selection to final shipment to ensure only the best products reach our customers.

Transparency & Trust

We maintain complete transparency through traceability, fair pricing, and clear communication in all business dealings.

Sustainability First

We support farmers who follow eco-friendly and sustainable agricultural practices to protect soil health and future generations.
