Established with a commitment to delivering natural and eco-friendly solutions, Earthveda is a trusted supplier of premium-quality Cow Dung Manure and Cow Dung Cakes. Based in Jind, Haryana, we are dedicated to promoting sustainable agriculture and environmentally responsible products that cater to the diverse needs of farmers, gardeners, retailers, wholesalers, and religious institutions across India.

Our product range is carefully processed using high-quality natural cow dung to ensure optimum purity, effectiveness, and environmental benefits. Cow Dung Manure is widely appreciated for improving soil fertility, enhancing crop productivity, and supporting organic farming practices. Our Cow Dung Cakes are extensively used for religious ceremonies, havan, yagna, and as an eco-friendly fuel source.

At Earthveda, we emphasize quality, consistency, customer satisfaction, and timely delivery. Every product undergoes stringent quality checks to ensure it meets industry standards and customer expectations. With a customer-centric approach and ethical business practices, we have earned the trust of clients from various sectors.

Our mission is to provide natural, sustainable, and affordable cow-based products while contributing to environmental conservation and the growth of organic farming. We continuously strive to build long-term relationships with our customers by offering reliable products, competitive pricing, and exceptional service.
