FOX NUTS (MAKHANA) — PRODUCT CATALOGUE

Ramnath Export offers a range of fox nuts (makhana) sourced and processed to meet retail, food-service, and export requirements. Below is our current product range, organised by category.

Product Range

	Raw (Unroasted) Makhana Sun-dried, unroasted fox nuts straight from processing. Sold to buyers who roast and flavor in-house. Pale white/cream colour, low moisture. <i>Moisture: <10% Color: Off-white Packing: 5kg / 10kg / 25kg bags</i>
	Roasted Plain Makhana Dry-roasted (unsalted, unflavored) fox nuts — light, crisp, ready-to-eat or ready for flavoring. A base product for retail and further processing. <i>Roast: Light golden Texture: Crisp/light Packing: 200g-1kg retail / 5-10kg bulk</i>
	Flavoured Roasted Makhana Roasted fox nuts seasoned with flavors such as peri-peri, cream & onion, Himalayan pink salt, tomato, and chaat masala. Packed for retail snacking. <i>Flavors: Custom on request Oil: Light-roasted, low oil Packing: 30g-200g retail pouches</i>
	Graded Makhana (By Size) Fox nuts sorted by size into trade grades — Special/King (largest), Mota, Chotu, and Kan (broken pieces) — for buyers with specific size requirements. <i>Grades: Special Mota Chotu Kan Packing: As per grade & buyer requirement</i>

Makhana Size Grading Chart

Fox nuts are further graded by "Suta" size — a standard trade measure used across export and wholesale markets.

Grade	Size (mm)	Category	Best For	Price Level
4 Suta	12–15 mm	Regular	Cooking, kheer, curries, bulk food processing	Most affordable
5 Suta	15–18 mm	Good	Everyday snacking, branded retail packs	Mid-range
6 Suta	18–21 mm	Premium	Premium retail, gifting, gourmet dishes	High
7 Suta	>21 mm	Super Premium	Export markets, luxury retail, high-value gifting	Highest
