Tanya Enterprises is an LCSO-approved manufacturer and exporter of specialized wires and cables with over 25 years of manufacturing experience. The company is a trusted supplier to wiring harness manufacturers serving AS9100, IATF 16949:2016, aerospace, automotive, and defence sectors. Its product portfolio includes PTFE, FEP, PFA, and ETFE insulated wires and cables designed for demanding applications requiring high reliability and performance. PTFE insulated wires are manufactured in accordance with JSS 51034 specifications and are suitable for applications comparable to those requiring MIL-DTL-16878, AS22759, and UL 1332 high-temperature fluoropolymer wire standards.
