

Organic Indigo Powder

NO AMMONIA

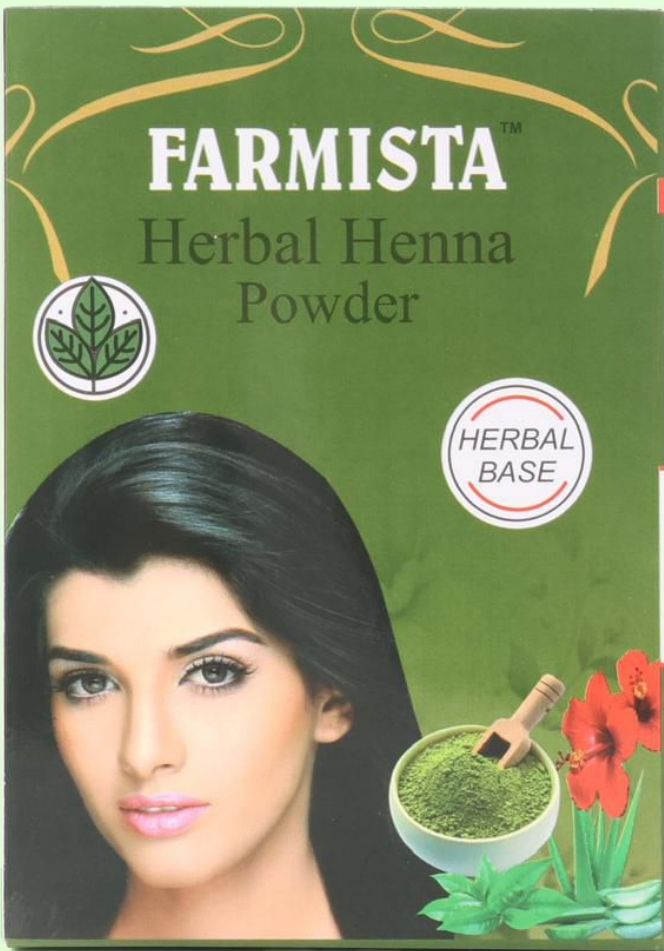

Revitalize Naturally with **FARMISTA**

1. Apply henna powder before applying indigo powder.
2. In a non-metallic bowl, mix the indigo powder with warm water.
3. Section your hair and start applying the indigo mixture from the roots to the tips, ensuring complete coverage.
4. Put shower cap and leave it for 1 hours.
5. Rinse it with clean water.
6. Avoid washing your hair with shampoo for at least 24-48 hours after applying indigo to allow the color to fully develop.

1

Mix multani mitti pack powder with plain water/ rose water to make a paste

2

Apply evenly on the face and neck, avoiding area around the eyes and mouth.

3

Allow it to dry for 10 to 15 minutes. wash off with water. For best results use once or twice a week.

STRONG & BEAUTIFUL HAIR

New Improved formula

Used for thousands of years, henna is best known as Natural dye for hair. Henna is a wonderful conditioner for the hair, with protective and restorative powers. Henna has the ability of coating each hair shaft, thus adding strength, thickness and body to the hair. Henna is used to apply beautiful designs on palms. It is also used to color nails and temporary tattoos on body.

Herbal Henna
Powder

HERBAL
BASE

What Makes It Special?

Quality Assurance

- Processed in FDA-Recognized Facilities
- Manufactured Following the Highest ISO & GMP Standards
- Fresh & Long Shelf Life for Maximum Potency

Directions for Use:
1. Mix Farmista Herbal Henna or desired quantity with warm water to create a smooth paste.
2. Let the mixture rest for 30-40 minutes before application.
3. Apply the paste evenly to your hair section by section, using a brush.
4. For light color, leave it on for 30-45 minutes.
5. For a deeper color, keep it for 1-2 hours.
6. Rinse thoroughly with water only—do not use shampoo immediately after.

Ingredients:
✓ Henna (*Lawsonia inermis*) – Leaf Powder
✓ Amla (*Phyllanthus emblica*) – Fruit Powder
✓ Shikakai (*Atacia concinna*) – Fruit Powder
✓ Cassia (*Cassia muroulata*) – Leaf Powder
✓ Bhringraj (*Eclipta alba*) – Leaf Powder
✓ Brahmi (*Sakopa inornata*) – Leaf Powder
✓ Reetha (*Sapindus mukorossi*) – Fruit Powder
✓ Tulsi (*Ocimum sanctum*) – Leaf Powder
✓ Methi (*Trigonella foenum-graecum*) – Seed Powder

Certified Organic Herbs

Cautions
▲ This product contains only organic herbal ingredients with no added chemicals.
▲ However, its safety for use during pregnancy is not determined.
▲ Avoid contact with eyes and do not apply on irritated scalp.
▲ For external use only.

Farmista Indigo Leaf Powder
100% Organic
100% Pure
Triple-Sifted
Chemical Free Powder

IMPORTANT POINTS:
This is not a chemical dye; results develop gradually over time. If your hair is chemically treated, the color may take up to 5 days to fully darken. Regular applications enhance the results.
Customizable Shades: Mix with Henna & Colorless Henna to create different hair colors.

CAUTIONS
• Do not use on cuts or abraded skin.
• Though 100% natural and chemical-free, some individuals may be sensitive to herbs, flowers, or fragrances.
• Perform a patch test before use.
• Always wear gloves during application.

KEY BENEFITS
• Unisex Formula-Suitable for both men and women.
• Extra Safe & Effective.
• Adds Volume & Shine.

Not to be taken internally
Qty. 200 Gms.

Instructions for Using Farmista Organic Natural Indigo Powder and Natural Henna Powder

1. Preparation of the Paste:
Mix your desired quantities of Farmista Organic Natural Indigo Powder and Natural Henna Powder with slightly warm water to create a thick paste.

2. Applying the Treatment:
Moisten your hair with water before application. Using a brush, apply the paste to small sections of hair, ensuring even coverage.

3. Processing Time:
Allow the paste to sit in your hair for approximately 40-60 minutes.

4. Rinsing:
Rinse your hair thoroughly with water to remove the paste.

Note: If you have gray, blonde, or previously dyed blonde hair, we recommend pre-pigmenting with Farmista Pure Natural Henna Powder for optimal results.

Farmista Organic Indigo Powder can be used alone or in combination with henna to achieve beautiful shades, ranging from brown to black.

Recommended recipe for different colors

Required Color	Indigo	Henna
Soft Black	4 Parts	1 Part
Dark Brown	3 Parts	2 Parts
Brown	2 Parts	3 Parts
Light Brown	1 Part	4 Parts

Ingredients: Organic Indigo (*Indigofera tinctoria* leaf powder)

Caution: Farmista Organic Indigo leaf Powder has no added chemicals whatsoever, however, the safety is not determined.

Don't use near the eyes or on any cut or on torn scalp.

Store in cool, dark & dry place. Keep out of reach of children.
