⚠ Caution

The ingredients in this product may cause skin irritation in certain individuals. A hypersensitivity (patch) test is strongly advised before each use.

Do not use this product for dyeing eyelashes or eyebrows, as it may cause blindness.

Avoid contact with eyes. In case of accidental contact, rinse immediately with plenty of water and seek medical advice.

This product makes no therapeutic claims whatsoever.

Keep out of reach of children.

Any damage or claims resulting from misuse of this product will not be accepted.

Keep eyes and mouth closed while washing hair.

Do not use if your scalp is sore, cut, or affected by any skin condition.

POISON — For external use only.

Hypersensitivity test

Always perform a preliminary test to determine if your skin is prone to sensitivity.

To carry out the test:

1. Clean a small area of skin behind the ear.
2. Apply a small quantity of the product to
3. Allow it to dry for 24 hours.
4. If any swelling, itching, or redness occurs, do not use the product.

Perform this test before each and every application.

Attention: Always use hand gloves during application, or wash your hands within 2 minutes after use.
