MANUFACTURER & SUPPLIER

adarshpandey1992@gmail.com
sales@sai-engineering.in

The foundation of Sai Engineering was laid in Mumbai, Maharashtra in 1992. The company is a prominent Manufacturer and Supplier of Semi Automatic Corrugated Box Making Machine, Anvil Cover, Auto Flexo Printing Slotting Die Cutting Machine, Corrugated Board Production Line, Automatic Folder Gluing Stitching Machine, Box Stitching Machine, Flute Laminating Machine, etc. It is managed very efficiently with the acute business sense of Mr. Parshuram Pandey, who is having industrial experience of 35 years.

Infrastructure

We have maintained a highly sophisticated infrastructure to accomplish various business operations smoothly. We own two factories that are spread across the land area of 1000 square feet. Thus, there is sufficient space to properly install the machines. We also have excellent transportation system as well.

Quality Promise

We are in practice of using the top quality raw materials in the production process. We are committed to offer the best quality product in the market, which cannot be found anywhere else. One is sure to get the quality assured product from us, as it is in compliance with the highest quality standards.

Clientele

We are catering to the needs of many companies. We have garnered a huge clientele by making available the top quality products in the market, which cannot be found anywhere else. Some of the names of our reputed clients are :

- ✓ Anmol Packaging
- ✓ Sudarshan Indus
- ✓ Vahid Paper Conver
- ✓ Vidya Indus, and many more
