Nature of Business
Manufacturer, Exporter & Supplier

Year of Establishment
2008

GST No
06A1OPV7926L1ZB

Sri Sai Scientific came into existence in the year 2008 at Ambala Cantt, Haryana (India). Since its inception, the profound knowledge and rich experience of the founder has assisted the company to acquired noteworthy position amidst the dependable Scientific Instruments Manufacturers, Exporters and Suppliers in India.

Infrastructure

Our state-of-the-art infrastructure is spread over a huge area loaded with technologically advanced tools and machines that assist in the quality and quantity production of the Scientific Instruments. Latest designing software is also used in developing the instruments as per the specifications of the clients.

Quality Assurance

Owing to the priority to serve quality products, various stringent quality tests are conducted at various levels of production to the final stage of packaging. For fuller assurance of the quality, the products are tested on various quality parameters, under the supervision of our quality control executives, ensuring zero manufacturing defects.

Clientele

We have witnessed an incessant growth in a very short span of time. Our team of knowledgeable marketing professionals has enabled us to extend our reach to customers worldwide. Increasing sales figures and growing clientele stand strong as a testimony to our capabilities. We have a record of going extra-mile to achieve customer's delight.
