M/s Biofact India Enterprises was incorporated in the year 2012 and has shown a remarkable performance and growth in a short span of time. The company has been able to generate a moderate turnover of Rs.2.5 cr. within first two years time. Ours is a newly established company founded by two highly experienced technocrats, Mr. Dilipsingh Pardeshi and Mr. Arun B. Bhavsar. Both of them have more than 30 years of experience in the field of Papain & Protein Based Products. Both are well versed with all production techniques and technical specifications used in Papain manufacturing. The company has set up its plant at Yeola co-operative industrial Estate, Yeola Dist Nasik, (M.S.), which is about 80 km from Nasik and about 250 km from Mumbai, on Nasik Aurangabad highway.

ABOUT THE MENTORS

Mr. Dilipsingh P. Pardeshi, one of the founder members, is M.Sc. in Organic chemistry. He has a vast experience in Papain field and he had worked in Papain industry at various levels, as Production Chemist, Quality Control officer and finally as Quality Control Manager for almost 25 years.

Mr. Arun B. Bhavsar, is another founder member, is B.Sc. (Chemistry), DBM. He has 30 years of experience in Papain industry and worked in R & D and then as Production Manager for almost 20 years.

OUR ACTIVITY

Company's major activity is to manufacture and export Papain. It is derived from latex of Carica papaya (Linn) Papain having different grades. Most important among them is Refined Papain used in food processing and pharma industry. The latest addition to the list is Papain in liquid form. This is a highly stabilized and ultra refined product introduced for food application. The company produces various grades of Papain as per customer's requirement. Other products we deal in are Meat tenderizer, Tryptone, Soyatone, etc.
