Our Products

ULTRA REFINED PAPAIN POWDER (Biolase)

Highly active, purified & concentrated Papain derived from latex of green fruit of Carica Papaya Linn. It is available in Proteolytic Activity range of 50 TU/mg to 1000 TU/mg.

ULTRA REFINED LIQUID PAPAIN (Biolic)

It is Ultra Refined, Sparklingly Clear light yellow coloured syrupy liquid of characteristic odour. Ultra Refined Liquid Papain is highly stabilised product. Available in Proteolytic Activity range upto 200 TU/mg. We strongly recommend it's use in breweries & Bakeries.

EzyKook (A Natural Instant Meat Tenderizer)

An Enzyme based product with 100 % natural ingredients. It makes meat pieces more tender, juicy & easily digestible with much reduced Cooking Time.

BioClarex

The most powerful chill proofing plant protease enzyme used in beer industry. Required in very low concentration. Gives sparkling clarity to beer. Does not affect foaming or organoleptic properties of Beer.
