

# Neelparee Group

*Exporters, Importers, Traders  
& Wholesale Suppliers*

*Year of Establishment  
Since 2017*

*[www.neelpareegroup.com](http://www.neelpareegroup.com)*

Established in 2017, Neelparee Group strongly believe in Steady growth and customer satisfaction. The companies within Neelparee Group is engaged in supplying Engineering Plastic Raw Material, Specialized compounded engineering plastic granules, Basic Industrial Chemicals, Petrochemicals, Rubbers, Non Edible Oil , masterbatch and much more for all applications. These companies have served and catered to the customer's worldwide. The group always interested in new projects and like to help support for new application development. We offer a wide range of branded products that are known all around the world.

The products that we supply to our customers are manufactured by the best companies and we source them from the ethical manufacturer and distributors. Supported by an ultra-modern infrastructure, we have been able to work to attain maximum customers satisfaction and approvals.

To make sure that all the on-going processes are carried out in the most streamlined manner, we have carefully divided our infrastructure into several units such as procuring, quality testing, research and development and warehousing and packaging unit. Standardized operation is assured with the help of regular up-gradation of our infrastructure with the latest equipment.

We have appointed a team of skilled professionals to handle and manage different units of our infrastructure in the most efficient & supporting manner.

### **Vision**

To make ourselves synonymous with industrial chemical distribution across the world by creating an extraordinary network of manufacturers and end users and touching everyday lives through the most sustainable products.

### **Mission**

To provide a steady assurance in our products and services and to offer a value-driven one-stop solution to our customers for all their industrial chemical distribution needs.

### **Values**

- ◆ **Accessibility:** From first contact to the resolution of our customers' requirements, we make ourselves easily accessible.
- ◆ **Listening:** We listen, respect and aim to create an atmosphere of mutual appreciation with our suppliers and clients.
- ◆ **Trust:** We believe in honesty and conduct our business ethically because we endorse trust as the foundation of our core values.
- ◆ **Excellence:** We understand that our customers and suppliers need us to go beyond the ordinary to facilitate product excellence and work the extra mile.
- ◆ **Knowledge:** Our expertise is based on sound knowledge and experience in our field and we offer competent solutions.

### **Why Us**

Our goal is to create a large platform for the best suppliers while maintaining our fundamental values with our customers. We acknowledge that our esteemed suppliers ensure that we are supported with the best products, values and services and strongly promote them to create a lasting synergy between the customer and the supplier.
