# About Us

Metalco Sales is a renowned Manufacturer, Exporter and Supplier of Industrial Products such as Conveyor Belts, Perforated Sheets and Seamless Elevator Buckets. The company is located in Uttar Pradesh, India. Leveraging on the technological advancements and its production capabilities, Metalco Sales, has successfully established itself in the global market. Since its inception in the year 1983, the company has grown manifold and continues to expand further. Owing to the sincere efforts and professionalism of the team headed by our mentor and owner Mr. Govind Agarwal having more than 32 years of industry experience, we have become an acclaimed manufacturer in the engineering domain.

## Production

Our manufacturing unit is stretched over a large area of 30,000 square feet. The unit is outfitted with the highly advanced machinery such as Mechanical Pressure, Yarn Twisters, Handloom, Perforating Press, Power Press, etc. It is due to the well-developed manufacturing facilities that we are able to have bulk production throughout the year. The Production Capacity of our manufacturing unit is :

Cotton & Nylon Belting : 3,000 meters per month

Seamless Elevator Buckets : 1,00,000 pieces per month

Perforated Sheets : 4,000 sheets per month

## Why Prefer Us?

We possess rich industry experience of thirty two years and have acquired a significant position in the domestic and international market. Listed below are some of the factors that have led to our growth and success :

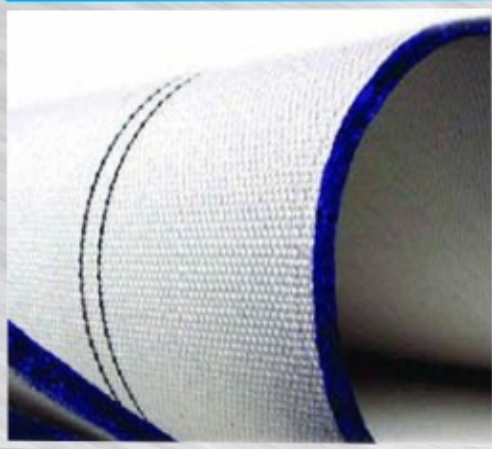

- Customer centric approach
- Timely delivery system
- Modern production facility
- Dexterous workforce
- Unmatched product quality
- Customized solutions
- Transparent dealings

## Quality Assurance

Metalco Sales is a customer oriented organization and strives to deliver world class quality products to its customers. We follow a stringent quality assurance policy to make certain that a high level of competency is maintained in our activities and processes. Special guidelines have been issued to the procurement team that the raw materials like cotton yarn, CRC sheets, etc. must be procured from trustworthy vendors only. Also, the raw materials are well inspected by our quality inspectors before being sent to the production facility. The quality inspectors also maintain a strict vigilance on production process to ensure that the products manufactured by us are at par with the industrial norms and standards. The finalized products are securely packed using fine quality packaging material and are promptly delivered to the clients as per the given schedule.

# Our Products

**Cotton Conveyor Belts :** We offer Cotton Conveyor Belts to the clients located in different parts of the country and across the globe. These solid woven beltings are basically used in elevators of Rice mill, Dal mill, flour mill, etc. The solid woven cotton belting is impregnated with a bitumen base for the strengthening or compounding of thread in the belt that ensures hardness. To come up with the finest quality Cotton Conveyor Belts, our experienced manpower utilizes the premium materials and modern technology. The Cotton Conveyor Belts are further tested to ensure quality and longevity. The Cotton Conveyor Belts can be availed in different designs, dimensions and patterns from us. We are a preeminent name as Cotton Conveyor Belts Manufacturer, Exporter and Supplier in Uttar Pradesh, India.

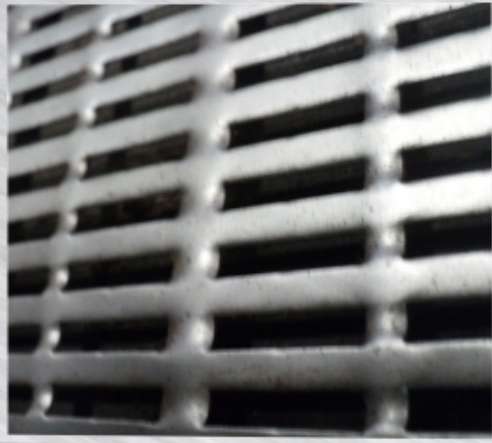

**Cotton-Nylon Conveyor Belts :** We are a well-known Cotton-Nylon Conveyor Belts Manufacturer, Exporter and Supplier in Uttar Pradesh, India.
