ABOUT US

RPML INDIA PVT LTD

www.rpmlindia.com

RPML India Pvt Ltd is a Delhi-based Manufacturer, Supplier and Exporter of Spices, and Indian Snacks like Namkeen, and Dry Fruits. The company, established in the year 1940, has achieved a remarkable stand in the market for the quality of products, which it maintains all throughout its tenure. This success has been possible with the dedicated efforts and guidance of Mr. Siddharth Khandelwal, the Director of the company.

QUALITY ASSURANCE

We are an established name in the market, renowned for the quality of products provided by us. We endeavor to leave no stones unturned in ensuring the same and make all our products go through stringent testing process and analysis before delivering our products to our clients.

WHY US

We employ only the best and most skilled personnel to handle tasks related to the manufacturing, processing and supplying of the products. We are a team of around 100 people comprising technicians, developers, packaging team, R&D

personnel and a competent management.

NETWORK

We are engaged in supplying our products to several buyers in India, as well as other countries across the world. The novelty imbibed in our products make them highly demanded by many clients across the globe. We make sure that our clients get to know the flavors of India in an exquisite manner, through our products. Our network is spread across Indian Subcontinent, South East Asian Countries, and also in major parts of Sri Lanka, Burma, Indonesia, and Philippines.
