

HI TECHNOLOGY

HI TECHNOLOGY

has become one of the leading organizations in the industry.

As a prime Manufacturer and Supplier, we are involved in offering a diverse range of engineering products including Relay Boards, Solar Cells, Gear Motors, etc...

+91-08037878194

ABOUT US

Located at Mumbai, Maharashtra (India), Hi Technology is run under Mr. Ajit Vira who has plenty of experience and business acumen. Since our inception in 2007, we have been able to land desired outcomes thanks to him.

Brand Image

Our quality is trusted on our brand name. Our excellent performance over the years has resulted into an established brand name which is cherished by the customers including robotic institutes. Our products come under the brand name VegaROBOKit which speaks for itself in terms of quality.

Infrastructure

Our advanced manufacturing unit is equipped with high tech machinery and modern technology. With the help of this, our accomplished professionals produce engineering products in different specifications in sync with demands making them perfect for use in electronics, robotic and engineering industries.

Distribution Network

Our hi-tech products have admirers across the country. Hence we cater to the needs of top figures in different sectors. For delivering our products to them in little time, we rely on our vast distribution network and our association with transport agencies.

NAME OF CEO	MR. AJIT VIRA
YEAR OF ESTABLISHMENT	2007
NATURE OF BUSINESS	MANUFACTURER & SUPPLIER
