# ABOUT US

Welcome to the sparkling world of Diamonds. **Gemone Diamonds** is a renowned Manufacturer, Exporter & Supplier of Loose Diamonds, Natural Raw Uncut Diamond Beads, Loose Gemstones, Black Moissanite Diamond Ring, Natural Rough Uncut Diamond Ring, Moissanite Beads, Black Diamond Beads Necklace, and Designer Rings. We offer our products worldwide, mainly in USA, China, Thailand, and several other regions. We source our Diamonds from Africa and every Diamond is finely crafted using the latest cutting and polishing techniques that give it a rich and lustrous finishing. We own the most advance technology that lowers the cutting and polishing cost to the minimum. Moreover, to facilitate our clients's requirements, we also offer product customization for small jewelers. Located in Surat, Gujarat, the company was established in 1961. Under Headship of Mr. Sukhadiya the company has witnessed many achievements. With his strategic management and a long experience of 50 years, the company has grown to a phenomenal turnover of 5 Million USD.

## Infrastructure :

We own a large infrastructure of 5000 square feet for only production purpose. We possess 3 factories to facilitate the mass production. All our manufacturing units are well equipped with advance machinery that assists in Diamond crafting and polishing processes. We also have CAD/CAM facility for efficient jewelry designing.

## Team :

We are backed by the team of efficient and skilled craftsmen and professionals. The craftsmen are experienced and highly proficient in their work. With their expertise, they finely carve the Diamonds and make Designer Jewelry that is very popular among our clients worldwide.

## Clientele :

We offer our Diamonds and Diamond Jewelry all over the world. Our products are best known for their fine finishing and crafting.
