Importers, Exporters & Manufacturers Representative for
Medical Equipments, Pharmaceuticals & Surgical

KALPDRUM Enterprises is a dynamic and a growing concern. Strict adherence to quality products and services is company policy. "Quality & Price" has been the Motto of our company. Today, in this competitive world, we stand firm due to our Goodwill that we have created from the years to stand.

KALPDRUM Enterprises has been serving healthcare industry for over four decades and will continue serving the same to ensure & extend the trust that our customers show in us.

In a short span of time, company made its presence intangibly felt in the form of concrete results right from the time it initiated itself into dealing in Pharmaceutical raw materials (Bulk Drug), Chemicals and Vitamins. Since then, we have been able to set ourselves on the path of expansion. In its journey till here, company has expanded its product range into Large Volume Parenterals (I.V. Fluids), Dialysis, Formulations, Medical & Surgical Disposables, Ophthalmic and Hospital Furniture / Equipments, Rehabilitation Aids etc. This itself describes the growth that the company is making and trust shown by our valuable customers.

Kalpdrum Enterprises is into exports for more than two decades. We enjoy a good repo with our principal manufacturers, because of which we receive most competitive rates, which ultimately grant us with an opportunity to serve our clients overseas. We also get contract manufacture / OEM done for our clients in facilities having WHO-GMP, CE, ISO, FDA accreditation of other countries. Kalpdrum's expertise in being able to source items regularly required by our clients has been applauded.

To be a Supplier of quality Products, Valued Added Services with Time Bound Deliveries and to achieve highest level of Customer Satisfaction.

Kalpdrum has been granted the opportunity to serve the mankind. It eyes to become a one stop shop for all our customers pharma needs and spread its operations globally.
