ABOUT US

In 2016, Coral Weaver made a name for itself as the top supplier and manufacturer of this exquisite range of fabrics. The industry has a great demand for the collection that includes the finest Bamboo Grey Fabric, Cotton Grey Fabric, CVC Grey Fabric, PC Grey Fabric, etc.

Utilizing the best materials and contemporary equipment, production of this range is started following industry standards and guidelines. This guarantees the product's smoothness, elegance, colour stability and resilience to shrinking. In addition to this, the given range is provided at the most economical rate conceivable.

The infrastructure facility has been divided into some highly functional sections to provide smoother and more effective management of activities.

Our Team:

A number of the firm's stated goals and aims are accomplished with the assistance of our highly qualified and experienced team of specialists. These experts are chosen for employment based on their aptitude and eagerness to put in long hours. For reasons of controlling the team's activities, in the most practical and functional method, the pros have been separated into many highly operational units.

Why Us?

We are among the top producers and suppliers of this excellent assortment of apparel fabrics. For reasons of preserving this status, our manufacturing process incorporates the exploitation of high-grade raw materials and sophisticated machines, in compliance with the specified industry norms and rules.
