## INFRASTRUCTURE

We possess state-of-the-art infrastructure that comprises of ultra modern units. We own three factories that are sprawled across land area of 24,000 square feet. With our latest machines, we are able to carry out huge production of 5,000 kg per day. Our experienced team of 125 employees is also an important part of our infrastructure.

## QUALITY PROMISE

Always attaining the best quality is the forte of our company. We are committed to offer such top quality products that are rare to be found anywhere else. Only premium raw materials are used in our production process. Our testing and R&D facilities ensure that our products are in conformity with the highest quality standards.
