

BPL EXPORT

BPL Export is a reputed Manufacturer, Exporter and Supplier of Indian Spices. Our range of Indian Spices includes Dried Red Chilli, Red Chilli Powder, Coriander Seeds, Coriander Powder, Turmeric Finger, and Garam Masala Powder. The species are processed on the planks of low temperature grinding technology. The aroma and high nutrition value of our spices ingrain every Indian Kitchen. Our ready to use ground spices enrich the culinary experience with exotic flavor that is rare and rich. They are handpicked with considerable attention on the shapes, sizes, and aroma. Besides, when it comes to blending, grinding process is done using advanced machines assuring low temperature grinding. The composition of ingredients is based on the traditional preparations that recite the saga of Indian gourmet heritage.

About Us

BPL Export was established in the year 2006 at Guntur, Andhra Pradesh. It is a sister concern of ASHOK TRADERS. Mr. Jugraj Bhandari is the Key Person of the company under whose headship the company is scaling new height in its business endeavors.

Infrastructure

We have state-of-the-art infrastructure at our unit. Our processing unit is well equipped with advanced machines and equipment to process all kinds of spices. The grinding of spices is done in the hygienic condition under the low temperature to keep the aroma intact.

Quality Assurance

Our spices are accessible with the assurance of high quality and standard. The Indian Spices that we offer are properly tested on purity, aroma and safe consumption. We are committed to deliver a blend of spices which is fresh and free from contamination.

Why Us?

- Use of choicest ingredients following precise composition as per the traditional Indian preparations
- Maintaining highest standard of technology which is inclusive of low temperature grinding
- Advance processing methods are implemented to preserve the nutritional value and aroma
- Ensuring zero usage of synthetics, preservative, and artificial and flavor enhancer
- Airtight packaging to intact the aroma and freshness
