About Us

SAI AGRO EXIM PVT. LTD. is a registered firm with its head office in Ranchi, (Jharkhand). We are located in the highly favorable agro ecological zone, covering the states of Jharkhand, Chattisgarh & Orissa. It is due to the experience of more than 50 years of our Promoters in domestic/wholesale supply chain of products, that we have been able to acquire a strong network in procurement of all types of seasonal and agro products directly from the farmers at right time and price. The firm was started with a vision to tap the vast marketing potential of forest / agricultural produce in this region to international markets. Sai Agro Exim Pvt. Ltd. was established in the year 2012. The company is located in Ranchi, Jharkhand. Mr. Sanjeev Arora is the Director of the company, who is a Post-Graduate in commerce. We are the Exporter of Agricultural and Agro-Based Products. The company emphasizes on superior quality products and affordable prices.

QUALITY ASSURANCE

We specialize in providing premium quality products. The quality of our agro-products speaks for itself. The best varieties of Indian Rice are available with us. One can assure from the length of the Rice grain and smell of it. We provide fresh agro seeds and believe in maintaining the quality standards.

CUSTOMER SATISFACTION

Timely and safe delivery makes us one of the best and our global network and quality standards make us stand apart. Our 15 years of experience in the Domestic Trade has rendered us a stronger position in the market. We deliver according the requirements of the client. We also provide customization; as wanted by the buyer.

NETWORK

Our products are exported in the markets of Vietnam, Malaysia, UAE, Singapore, Myanmar, China, Thailand and USA, to name a few. We provide 24x7 online and phone helpline services. Our network assists in the timely and efficient delivery of the products. We are gradually capturing the whole global network.
