Located in Aligarh (Uttar Pradesh), Kodia Locks is one of the prominent Manufacturers, Exporters, and Suppliers of assorted range of products. We have been providing our product range majorly in Dubai, the U.K., South Africa, and India. Being a client-centric firm, we strive hard to attain complete satisfaction of our customers by delivering flawless consignment within stipulated timeframe.

Infrastructure

We have developed modernized infrastructure facilitated with latest machinery and modish equipment. Spread over a large area, our workstation is equipped with all necessary components allowing us to process orders as per specifications provided by clients. We have hired highly skilled employees working in different departments of the company. We also possess well-equipped capacious warehouse facility to keep the products safe and ready for procurement.

Quality Policy

We are among quality-driven firms assuring 100% quality in the products we deliver, for raw material; we source ultra-high quality ingredients such as zinc, copper, brass from trusted vendors of industry. Without compromising quality on any grounds, we maintain reasonable pricing policy. Each component processed in our firm is stringently scrutinized on defined parameters before final delivery at designated destination.

Why Us?

We prioritize the recommendations and requirements of our clients to serve them in best possible manner. Our unique working methodologies and professional approach makes us the choice of our valuable clients. Prefer us for :

- ◆ Highly reliable product range
- ◆ Robust infrastructural set-up
- ◆ Unblemished quality
- ◆ Excellent client servicing
- ◆ Market leading price
- ◆ Premium packaging
- ◆ Prompt delivery services
