

# High Energy Plast Chem

High Energy Plast Chem has firmly established itself as one of the most sought-after Exporters, Importers and Suppliers of a wide range of products. The range of products, offered by the company are Solar Systems and Materials, Industrial Batteries for Solar Application, Raw Materials for Solar Panels, Electronic Components to cater the Urgent and Regular requirements of Electronic Manufacturing Industries, Optonics for Defence and Military Applications for supplies to Government of India, Minerals, Industrial and Petro chemicals, Metals and Steel for Pharmaceutical, Oil & Gas, Metal & Metallurgical Industries.

**High Energy Plast Chem** has firmly established itself as one of the most sought-after Exporters, Importers and Suppliers of a wide range of products. The range of products, offered by the company are Solar Systems and Materials, Industrial Batteries for Solar Application, Raw Materials for Solar Panels, Electronic Components to cater the Urgent and Regular requirements of Electronic Manufacturing Industries, Optonics for Defence and Military Applications for supplies to Government of India, Minerals, Industrial and Petro chemicals, Metals and Steel for Pharmaceutical, Oil & Gas, Metal & Metallurgical Industries.

We always extend diverse support on all kinds of products that we deal in. We assure Zero Defect Quality Control, 24x7 agile and dynamic sales support, 100% compliance on customer purchase order specifications, safe and secured warehousing solutions, instant response to customer enquiries, definite cost reduction and not the least., follow strong ethical practices.

Apart from the quality range of the products, the company also offers Customs Clearance and DGFT Liaison Services to the clients. The company has long-term professional relations with some of the leading vendors and manufacturers of the Far East as well as the rest of the global markets and therefore, the quality of the products is 100% Guaranteed. The company has been given All India Distribution rights by Biologix, China, Chem Trade, China and Armasight,,USA.

Ever since its establishment in the year 2009 at Hyderabad in Andhra Pradesh, the company has excelled in the various marketing-related intricacies and presently stands as one of the market leaders in this domain.

## **Sectors Served**

The products, offered by the company, are widely demanded and used in the following sectors:

- Engineering
- Pharmacy
- Hospitals
- Construction/Infrastructure
- Chemicals

## Solar System and Materials

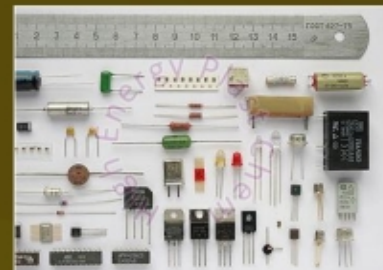

We are successfully making available Solar System & Modules in the global market. Solar Panels that we bring forth are widely used in Grid and Off-Grid Systems applications. Our Solar Energy Systems are renowned for their operational fluency, longevity and cost effective prices. Buyers can acquire them in small and bulk quantity, from us. One can rely on us for timely deliveries.

In order to ensure the safety of the products, we carefully store the lot under hygienic conditions and safe environment. Moreover, the lot is stringently and regularly checked by the experts. Sourced from the certified places, our Raw Material for Solar Modules is superb on the counts of performance, precision and prices.

## Electronic Components

We are the best contact for sourcing electronic components from all over the world. We can supply all types of Electronic Components i.e., Active, Passive, Interconnect items of any manufacturer around the globe for our customers Regular and Urgent requirements. We source our parts only from Authorised and reputed online & independent distributors across the globe at a competitive price.

## AMERI Solar Panels

We are representing ameri solar as their distribution partners for india. Certifications iec61215, iec61730, iec62716, iec61701, ce, cqc, cgc, etl(usa), jet(japan), j-pec(japan), kemco(south korea), ks(south korea), mcs(uk), cec(australia), fsec(fl-usa), csi eligible(ca-usa), israel electric(israel), inmetro(brazil), tse(turkey) iso9001:2008: quality management system iso14001:2004: environmental management system ohsas18001:2007: occupational health and safety management system please feel free to send us your requirements.

## Optonics

High Energy Plast Chem is honoured to be associated with world leading manufacturer Armasight (now acquired by FLIR systems) is a leading US-based provider of cutting-edge Night Vision and advanced Thermal Imaging Solutions, top-quality Direct View Binoculars, Illumination Tools and other precision optics featuring outstanding performance and a wealth of innovative features as their Authorised distributor for India.

## Battery Charger

HEPC HBC Range of Chargers are based on SMPS technology with Isolation to offer safety and high level of operational efficiencies. In addition to a wide input voltage window, The Output Voltage and Current can be selected and 10 LED indications are provided to indicate the current selected from 1 to 10A. The charger is compact, lightweight and portable. It has Over load protection, Foldback arrangement. The design incorporates factors to endure rugged conditions.

## Enag

ENAG design, develop and manufacture energy conversion systems working in rugged environments for over 70 years. ENAG's expertise in static and dynamic energy conversion is based on the most reliable technologies of power electronics and electro mechanics. Used in the Marine, Offshore, MRE (Marine Renewable Energies), defence, Railway and Industrial markets. Products lists: Battery chargers, Power supplies, Tactical UPS, Charge/discharge banks, Radiators etc. ENAG's products are renowned for their quality and reliability. Some products have NATO reference codes.

## NISO4 Nickel Sulfate

Nickel sulphate niso4 for battery and plating applications element general assay (%) especial assay (%) ni+co >22.2 -- ni -- >22.2 co -- .

## Battery Chemicals & Materials

You can rely on us for all the online and offline transactions, we have stringently made payment logs to make sure that no misunderstanding or inconvenience arises. We are backed by a team of professionals who are proficient in their respective domains and ensure that the offered lot is meticulously packed. Also, we make sure that only high quality packaging material is used for packaging.

## Industrial Chemicals

The company is a well-known Exporter, Importer and Supplier of Industrial Chemicals in Hyderabad. The Industrial Chemicals, offered by the company, are widely appreciated by the clients for their quality as well as variety. These Industrial Chemicals form a crucial requirement for the industrial sector.

## Potassium Hydroxide

We bring forth **Potassium Hydroxide** that is an inorganic compound with chemical formula KOH. Potassium Hydroxide is commonly called caustic potash. Potassium Hydroxide is a colorless solid that has prototypical strong base. It finds applications in industrial and niche works. It is famous as a precursor to most soft and liquid soaps as well as numerous potassium-containing chemicals. We specialize in providing Potassium Hydroxide Flakes & Pearls in medium as well as bulk quantities.\

## Sodium Hydroxide

High Energy Plast Chem are one of the leading Exporters, Importers, and Suppliers of Sodium Hydroxide. Sodium Hydroxide also known as Caustic soda or lye is an Inorganic compound with the chemical formula NaOH. It is highly caustic metallic base and an alkali salt. It is available in the form of flakes & pearls. It is used Pharmaceutical industries, Detergent & Soap chemicals, Edible oil industry and Sugar Industries.

## Pharmaceutical Drugs

We have come up as a highly reliable Exporter, Importer and Supplier of Pharmaceutical Drugs in Hyderabad. The Pharmaceutical Drugs, offered by us, are known for their accurate composition and can be availed at highly competitive prices. We offer a wide range of Pharmaceutical Drugs and can offer special drugs on the demands of the clients.

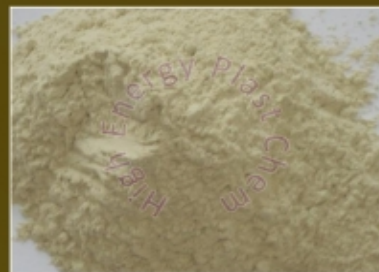

## Polymers Granules

High Energy Plast Chem is one of the reliable Exporters, Importers & Suppliers of Polymers Granules. We are authorized representative of VAMPTECH, ITALY. We deal in different kinds of Polymers Granules i.e. PE, PB, ADS, and PET. The Polymers Granules, offered by us, is appreciated for its super fine quality. The Polymers Granules is offered in sound packaging options so as to maintain the quality during delivery.

## Bentonite

We have come up as a highly reliable Exporter, Importer and Supplier of Bentonite in Hyderabad. The Bentonite, offered by us, is appreciated for its super fine quality. We can supply Dolomite in lump and Granule form in medium as well as bulk quantities across the globe. CLAY-130 is an activation sodium bentonite for foundry, as a bonding material for sand molds in the production of Iron and Steel castings, suitable for use in most Green Sand Molding System.

## Micro Silica Powder

We have firmly established ourselves as an Exporter, Importer and Supplier of Micro Silica Powder in Hyderabad. The Micro Silica Powder, offered by us, is also known as silica fume and is appreciated for its super fine quality. The Micro Silica Powder is offered in wooden packaging boxes so as to maintain the quality standards.

## Hydrated Lime

We are prominent Exporters, Importers, and Suppliers of Hydrated Lime 60% to our respected clients. It is available in a colorless crystal or white powder. These are formulated using top quality chemicals and procured from calcium oxide. These chemicals are also checked stringently by quality analysts to ensure that defect free and best quality chemicals to our honored clients. Our ranges of chemicals are available at economical prices in the market.

### Other Information

- Minimum Order Quantity : 100 Kilogram
- Delivery Time : Immediate

## Dolomite

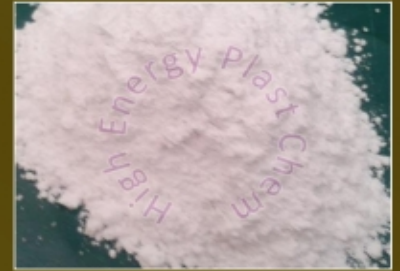

We are engaged in offering premium quality Dolomite. Dolomite, an effective neutralizing agent, is a mixture of magnesium as well as calcium. Dolomite is also known as "dolostone" and "dolomite rock". It is a sedimentary rock that is composed primarily of the mineral dolomite,  $\text{CaMg}(\text{CO}_2)_3$ . We can supply Dolomite in lump and powder form in medium as well as bulk quantities across the globe.

## Hydrated Lime Powder

High Energy Plast Chem is one of the reliable Exporters of Hydrated Lime Powder. The Hydrated Lime Powder, offered by us, is appreciated for its super fine quality. The Hydrated Lime Powder is offered in sound packaging options so as to maintain the quality during delivery. We are a Hydrated Lime Powder exporter to many countries all over the world such as India, Singapore, Malaysia and Taiwan.

## Industrial Metals

The company is a well-known Exporter, Importer and Supplier of Industrial Metals in Hyderabad. The Industrial Metals, offered by the company, are widely demand as well as used products. The company procures the Industrial Metals from the highly trusted sources in the market and delivers them on a timely basis.

### Why Our Industrial Metals?

- Quality assured
- Wide range of uses
- Long life
- Cost-effective

## Integrated EV charger

1. Compatible design for 15kW and 30kW module;
2. Single cabinet 150KW, two gun output;
3. Faultless thermal design, IP55 protection level
4. Dynamic power distribution technology Realized the best efficiency and reduce operation costs
5. Reliable performance from long-term operation experience
6. Support State Grid and individual charging service operator
