Falcon Valves & Flanges Pvt Ltd is one of the prominent Manufacturers, Exporters and Suppliers of a wide range of Valves, Flanges & Strainers. The quality and the performance of the products are examined by the experts for upholding the standards of the products. We always make sure that the consignment is delivered within stipulated time. Our products are manufactured using high-grade material. Owing to flawless quality and perfect finish our products are highly in demand by Oil & Gas, Fertilizers, Petroleum, Petrochemical, Chemical, Paper, Sugar, Food, Hydrocarbons & Pipelines, Rubber and many more industries.

Our company was incepted in the year 2001 at Mumbai, Maharashtra under the able administration and leadership of our CEO Mr. Rehmat Khan who has profound experience in the field. With his ethical business practices and hard work, we are able to carve a niche in the global market.

Infrastructure

We have cutting-edge manufacturing facilities that allow us to offer wide range of products and to meet the standards of products as per industry norms. For uninterrupted production of our products, we have outstanding power backup in all departments. We have huge and capacious warehouse to store our products and packaging unit to supply them in well-managed way. With our innovative machinery, we also facilitate our customers with customization on products as required by them.

Quality Assurance

We have in house testing unit as well as we have appointed expert quality checkers. Our quality supervisors check the products from initial stage of procurement of raw material to final dispatch on various parameters. This enables us to guarantee unsurpassed quality products to our customers.

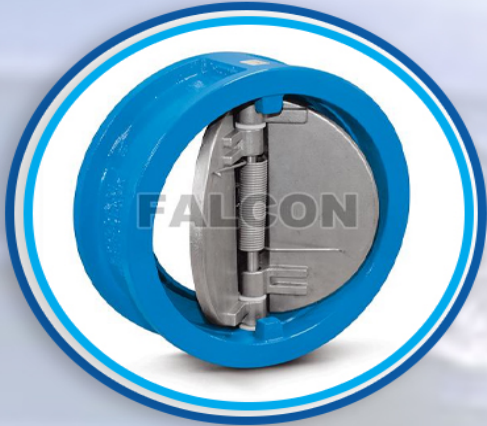

Team

Our highly experienced team comprises of Technicians, Quality controllers, Administrators and Marketing analysts. The team works in full synchronization to fulfill all the demands of our valued customers and to meet all the organizational and individual objectives. Due to the enthusiastic efforts of our team, we are able to make our existence felt in this competitive market.

Network

We have a well coordinated business network that is spread not only in India but also in the international market. Our network is expanded in the markets of

- ◆ Gulf
- ◆ CIS
- ◆ Africa
- ◆ Australia
- ◆ Asia
- ◆ Europe
