Deeply rooted in Firozabad-Agra (Uttar Pradesh, India), **Prabeesa International** is one of the distinguished manufacturers, exporters, and suppliers of the optimum quality hand curated products in variety of material like glass, marble, metal and agate. The company is operating in the industry since 30 years. Owing to our experience, we are capable of producing the high quality products within a stipulated timeframe.

### **Our Infrastructural Unit**

We have a vast and well-furnished infrastructural unit that is equipped with the hi-tech machinery and tools. Our infrastructure comprises manufacturing facility, packaging unit, R & D facility, quality checking facility, warehousing facility, and logistics department.

### **Quality Assurance**

We can assure the optimum quality of our products by keeping a stringent check over the procurement of raw materials, manufacturing process, and packaging process. We abide by the set quality standards of the industry to ensure premium quality products.
