Spares of Dispenser (Yenen , Batchen, FAS, Euro, Nuovo Pignone, Migas),Control Panel for Single Tank, Double Tank, etc.

F MANUFACTURER OF CT 'S, ELECTRICAL CONTROL PANELS & SPACE HEATER

Complete Commercial and Residential Solar Systems at one Platform by M/s TRANSCEND ENGG., BPL

(Wholesale Solar Panels, Solar Systems and Supplies)

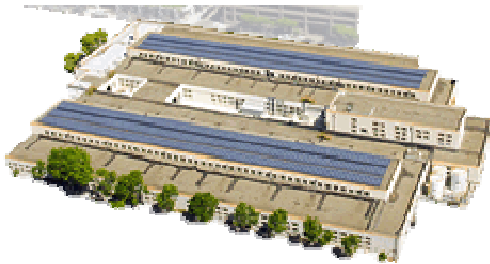

✓ For Commercial, Remote Outdoor, Industrial & Residential Solar System Applications

Residential Solar Systems

Low-cost complete residential solar systems for contractors and homeowner/builders. We offer full system design and

Commercial Solar Systems

Wholesale commercial systems available for commercial contractors and building owners. Expert design and engineering for complete systems.

Remote Solar Systems

Complete off-grid outdoor remote industrial solar systems for telemetry, telecom, wi-fi, security, oil and gas, obstruction light and other .

Solar Panels

Wholesale solar panels by major name brands like Sharp, LG, REC, Solar World etc. in large or small quantities; by the pallet or container at a low wholesale price

Inverters

Grid-tie and battery backup inverters, SMA, SolarEdge, Enphase, Outback, Magnum, Solaron, Advanced Energy, Schneider-Xantrex and more. Inventory includes string inverters, sine wave inverters, micro inverters and power optimizers.

Mounts & Racking

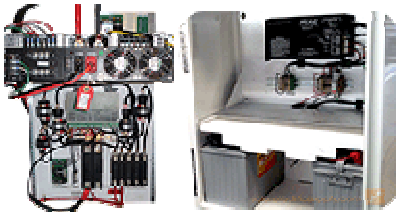

Whether roof mount, ground mount or pole mount, we have the solar panel mounting solution to meet your needs.

Solar Batteries

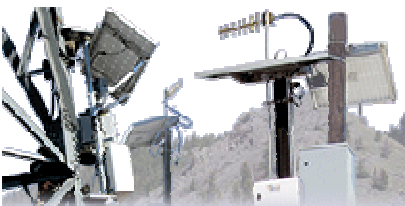

Low wholesale pricing sealed and flooded lead-acid batteries and new lithium-ion solar batteries.

Solar Backup Systems

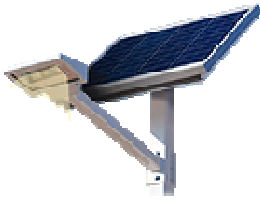

Battery based systems for off-grid remote homes and upgrading grid-connected systems by AC coupling so your solar system works during a power outage.

Pole Mounted Systems

Pole and pad mounted solar battery systems for off grid industrial applications such as LED lighting, wireless SCADA RTU, radios and monitoring.

Solar LED Light Systems

Complete industrial quality, Solar LED lighting systems. These solar LED lights are ideal for security, parking lots, pathways, parks, HOA's and more.

Microgrid Solar Systems

Our largest hybrid battery systems are designed to work with large generator backup systems for island power, forward military bases, and critical power.

Hybrid Solar Genset Packages for DC Loads and Small AC Loads

Our largest hybrid battery systems are designed to work with large generator backup systems for island power, forward military bases, and critical power.

➤ **Why Solar Electric Supply?**

- Easy to reach sales and support staff
- Unbeatable pricing
- Outstanding technical support
- Superior customer service
- Wide variety of systems to choose from with current prices

➤ **What We Do For Our Customers ?**

- System consultation and planning
- Rapid turnaround on quotes, support and service
- Unparalleled technical support
- Certified system designers
- All complete commercial and home solar systems include single and three line electrical schematics.
