By setting new benchmarks of excellence, K.K. Agarwal & Co. is rated amongst the reliable Wholesale Suppliers of an extensive range of Industrial Gases, including Hydrogen Gas, Carbon Dioxide Gas, Oxygen Gas, Nitrogen Gas and Zero Air Gas. These Industrial Gases are appreciated for reducing the cost of the industrial processes, raise productivity, increase operational flexibility and resultantly improving competitiveness of a business. These Industrial Gases are manufactured using innovative technology, thus assuring their matchless quality.

Established in 1956, in Agra (Uttar Pradesh), we have been enriched under the guidance of Mr. Deepak Kumar Agarwal (Proprietor). Also, we have framed customer-friendly business strategies, enabling us to win the trust of the customers.

◆ **Team**

Our team has constantly strengthened us to win the trust of the customers. We carry out various training and development programs, helping the team to stay abreast with the latest technologies. Our team consists of qualified and experienced Procurement Agents, Quality Inspectors and Logistic Support Executives.

◆ **Vendor Network**

With sheer hard work and dedication, we have managed to establish an expansive Vendor Network, encompassing some of the reputed names from where we source the premium Industrial Gases. These Vendors are selected on the basis of several criteria that cannot be compromised.

◆ **Why Us?**

We are selected by the customers owing to the following reasons :

- ▶ We offer premium Industrial Gases at the best rates
- ▶ We ensure safe packing and delivery of these Industrial Gases
- ▶ We promise timely delivery of the Industrial Gases

All these reasons have helped us to stand apart from the rest in the business.

PRODUCT

K.K. Agarwal & Co.

• Hydrogen Gas

SPECIFICATIONS

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Use : Gas Chromatography Carrier Gas And Fuel Gas

Voltage : 220v

Usage : For Bed&Cabinet Door

Pressure : 4bar

Warranty : 1 Year

Accuracy : 99.9995%

Temperature : 423°F

• Carbon Dioxide Gas

SPECIFICATIONS

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Grade : Industrial Grade

Form : Gas

Packaging Type: Cylinder

Operating humidity range : 0-45 % RH, 45- 95% RH

Packaging Size : 0-5 L, 25-50 L, 50-100 L

MF Name : CO2

PRODUCT

K.K. Agarwal & Co.

• Oxygen Gas

SPECIFICATIONS

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Use : Medical

Purity : 99%-99.999%

High purity : Beverage grade

Form : Gas

Pack Size : Cylinders

Application : Industrial Use, Laboratory Use

• Nitrogen Gas

SPECIFICATIONS

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Density : 0.500-1G/ml, 0.500G/ml

Packaging Type: Cylinder

Pressure : 0-150 Kg/cm², 150-300 Kg/cm²

moisture : 0-1vpm, 1-2vpm

Packaging size : 0-10Kg, 40-80Kg

Oxygen : 0-3Vpm, 3-5vpm

Principle Type : Processing Gas

PRODUCT

K.K. Agarwal & Co.

• Zero Air Gas

SPECIFICATIONS

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Application : Industrial

Water Capacity : 47 litre

Capacity : 47 litre

Durability : Long Life

Resistivity : Rust Resistant

Surface Finishing : Polished

• Helium Gas

SPECIFICATIONS

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Use : Industrial

Pressure : 0-150 Kg/cm²

Atomic mass : 4.002602 u ± 0.000002 u

Form : Liquid

Purity : 90%

Density : 0.500-1G/ml

Packaging Type : Cylinder

ARGON GAS

PRODUCT DETAILS

Business Type
Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Use
Filling argon gas for insulating glass

Pressure
15Mpa

Supply Ability
High

Application
Workshop, Laboratory

Features
Excellent water solubility.

Argon
99.9995% Purity

Oxygen
3 PPM (Max).

Location
India (Uttar Pradesh only) & All other countries
