Our Construction Philosophy

*‘Before you start the project ensure that all
resources are in place.*

*Once you start the project drive it to realize the
project benefit you planned to get out of it.*

*These two things will ensure every one’s well
being’..... Artashasthra- Chanakya*

Team A&A follows this principle.

BORN 2 PERFORM

Introduction

A professionally managed company involved in the field of civil construction, for the last 22 years.

- Institutional / Commercial.
- Industrial.
- Residential.
- Hospitality.

We believe in delivering quality work while maintaining high standards of ethics and values. We are able to undertake projects on turnkey basis or using outsourcing or concession arrangements. Operating flexibility and adopting to clients requirements is our priority. Delivering solutions that meet clients need in compliance with performance, budget and time constraints. However narrow, or broad the scope of the project entrusted to us, we have the reputation of completing our assignments successfully. We operate as your partner in meeting the planning and construction challenges of today and will perform your mandates in accordance with the highest quality & standards.

The following pages give our company's organizational structure and the projects undertaken by us.

BORN 2 PERFORM

Mission Statement

A & A Infrastructure Pvt. Ltd's mission is to provide the highest quality to its customers. Competition, timeliness, integrity and skill are the drivers of our mission.

Vision Statement

A & A Infrastructure Pvt. Ltd's vision is to be the foremost contractor of choice, through constructive and caring relationships with customers, suppliers, peers and employees.

Core Values

We believe in developing quality work while maintaining high standards of ethics and values.

Operating flexibility and adopting to clients requirements is our priority.

We strive to develop extreme loyalty through exceptional performance.

We challenge and help every worker to reach their full potential.

We realize that people are more important than monetary gain.

We support social causes for the benefit of society at large.

Quality Statement:

Quality is never an accident. It is always the result of high intention sincere effort, intelligent direction and skillful execution. It represents "The Choice" of many alternatives. We at A&A IPL, always strive to deliver quality.

Food for Thought- Social Cause

Growing population is a “cause of concern” for India.

What is that you can do as an educated Indian for this cause?

In case you make one individual aware of advantages of reduced
population in India, you

“have contributed towards the cause”.

In National Interest –A&AIPL
