# About Us

Shahnaz Husain, pioneer of the herbal beauty movement, has received unprecedented international acclaim for unique natural formulations, based on Ayurveda, the ancient Indian system of herbal healing. Today, the Shahnaz Husain Group is the largest organization of its kind in the world, with a global network of franchise salons, spa, retail outlets, beauty academies and over 350 products for skin, hair and body care.

Blending age-old traditions with the latest scientific techniques, Shahnaz Husain offers Natural Beauty Solutions, comprising of highly specialized formulations, based on the principle of "Care and Cure." They consist of products for general beauty care and also include highly specialized therapeutic formulations for specific skin and hair problems. These have become breakthroughs in Ayurvedic beauty care. They comprise of herb, flower and fruit extracts, aromatherapy essential oils, precious minerals and gems, as well as other natural substances. Premium Shahnaz Husain formulations, like the legendary Shahnaz Herbal range, 24 Carat Gold, Diamond Collection, Pearl Concepts, Oxygen, Platinum and Plant Stem Cells, have had a dramatic effect on the product portfolio. They are highly relevant to modern demands and have taken international markets by storm.

Apart from intensive laboratory tests, these products have been clinically tested in actual user conditions in the global chain of Shahnaz Husain salons. In fact, the products have grown out of clinical usage, based on massive client feedback. With state-of-the-art manufacturing and R&D units, as well as long expertise, the Shahnaz Husain Group offers customized beauty care products, in keeping with international quality standards. The Group has acquired a global presence too, with exclusive outlets worldwide and has received several prestigious international awards for Quality Excellence.

Today, the Shahnaz Husain Group is positioned as the leaders in Ayurvedic beauty care in the domestic and international markets. In India, the Group has a leading presence both in the premium and middle segments, on the strength of brand identity. Known for product innovation and with a successful track record of over four decades, the legendary Shahnaz Husain brand name has become a hallmark of purity, quality and safety. It has been tested by the most exacting test of all .....the test of Time!

## A GLOBAL PRESENCE :

Shahnaz products and franchise salon are available in more than a 130 countries across the five continents. It does represent a rich array of geographical specificities, cultures, communities and lifestyles to understand in order to create, tailor the best offer as possible.
