About Us

Pellagic Food Ingredients Private Limited is counted amongst the leading names in the market of Bangalore. We are in the business of manufacturing, exporting and supplying the best quality frozen products, processed fruit products, bakery ingredients, agro seeds, Indian spices, spray dried fruit powder, spray dried vegetable powder, vegetable paste, dry fruits, basmati rice, non basmati rice, chocolate bars, corn starch, and many more. With the support of a team of meticulous professionals, we have been able to supply world-class food ingredients with an innovative approach to cater to the needs of various food manufacturers within India and across the globe. We assure you to supply consistently good quality at most competitive prices.

Pellagic Food Ingredients Private Limited is a Bangalore (Karnataka, India) based company, which is owned and managed by Mr. Ramakanta Mishra (CEO). His innovative ideas have made us a notable name in the industry. The company is operating in the industry since 2012.

Our Vision

To be a significant and unique supplier of a broad range of globally sourced quality ingredients to the food, naturalistic and other selected markets in India and other countries

Our Mission

- To speculate demands and to offer innovative, quality, hygienic and value-added ingredients to satisfy consumer demands
- To continuously provide extra value to our customers, suppliers, employees, shareholders and society
- To conduct business fully complying with legal and industrial requirements and at the highest level of ethical behavior in a socially responsible and environmentally friendly fashion

Our Infrastructure

We have a state-of-the-art infrastructure that is spread across 25 Acres. It includes 3 advanced factories. We have installed these factories with the most advanced machines like IQF units, pulping units, freeze drying units, etc.
