

AS Power Industries

There is an amazing range of products available in our company with varieties of options to choose from. Based in Uttar Pradesh, we supply our products to customers all across the country. We manufacture our products with good quality raw materials under the supervisor of experienced and skilled experts. We have expert teams at every stage to ensure that the products we supply are of excellent quality. We are successful in producing advanced and latest machines for the industries and companies all over India. We have a huge network of customers who appreciate the quality and performance of the machines that we supply.

- 👍 Switchgear Components
- 👍 Monoblock Bushings
- 👍 VCB Spouts
- 👍 Epoxy Bushings
- 👍 Epoxy Housings
- 👍 Epoxy Insulators
- 👍 Potential Transformer
- 👍 Resin Cast Transformer
- 👍 30 PT Epoxy TR Board

Professional team & engineers

2013 Year of
Establishment

Manufacturer &

Exporter

Established in the year 2013, AS Power Industries is one of the leading suppliers of switchgear components, monoblock bushings, epoxy bushings and much more. There is an amazing range of products available in our company with varieties of options to choose from. Based in Uttar Pradesh, we supply our products to customers all across the country.

We manufacture our products with good quality raw materials under the supervisor of experienced and skilled experts. We have expert teams at every stage to ensure that the products we supply are of excellent quality. We are successful in producing advanced and latest machines for the industries and companies all over India. We have a huge network of customers who appreciate the quality and performance of the machines that we supply.

WHY US?

- 👍 Quality assured products
- 👍 No faults & failures
- 👍 On-time shipment facilities
- 👍 Professional team & engineers
- 👍 Advanced & latest machines
- 👍 Transparent business policies

Therefore choose us and our products. We offer you amazing deals & services. Without further delay order our products online for your industry & grow your business by increasing your production.

To know more about our products & services, contact us and speak directly to our executives. They will provide you with every detail that is necessary for you to know before purchase.

Name of Founder	→	Mr. Pramod Kumar Singh
Year of Establishment	→	2013
Nature of Business	→	Manufacturer and Supplier
Number of Employees	→	10
Annual Turnover	→	Rs. 1 Crore
GST No.	→	09BJBPS7314G1Z3

Mobile no. :- +91-9560-1412-66

Monoblock Spout

Material	:	Epoxy
Size	:	Standard
Color	:	Brown
Usage	:	Support Insulator Breaker
Shape	:	Cylindrical
Surface	:	Polished
Min. Order Quantity	:	50 Piece

Box Spout

Material	:	Epoxy
Size	:	Standard
Color	:	Orange
Power	:	12 KV
Usage	:	Switchgear
Surface	:	Polished
Min. Order Quantity	:	12 Piece

Epoxy Link

Material	:	Copper and Epoxy
Size	:	Standard
Color	:	Brown & Grey
Power	:	1.1 KV
Usage	:	Power Distribution
Surface	:	Polished
Min. Order Quantity	:	12 Piece

Circuit Breaker Spout

Performance	:	High performance
Quality	:	Optimum Quality
Resistant	:	Abrasion Resistant

Our clients can avail from us quality approved range of Circuit Breaker Spouts. Our spouts are manufactured with the conform to international quality standards. These can be available with us at the affordable price range.

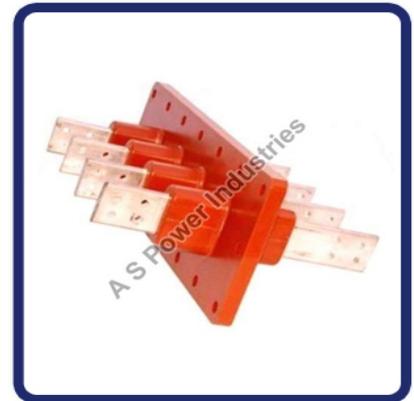

Monoblock Epoxy Bushings

Material	:	Epoxy
Shape	:	Rectangle
Certification	:	ISI Certified
Application	:	Industrial
Rated Voltage	:	440 V
Phase	:	Single Phase
Warranty	:	1 Year
Min. Order Quantity	:	4 Piece

Monoblock Cast Resin Bushings

Thickness	:	5-10 mm
Usage	:	Industrial
Type	:	Insulated
Shape	:	Rectangle
Certification	:	ISI Certified
Color	:	Red
Finishing	:	Polished
Min. Order Quantity	:	4 Piece

High Voltage Epoxy Bushings

Type	:	High Voltage
Certification	:	ISI Certified
Application	:	Industrial Use
Color	:	Brown
Frequency	:	50hz, 60hz
Tensile Strength	:	100-125Mpa
Phase	:	AC Single Phase
Material	:	Epoxy
Min. Order Quantity	:	4 Piece

Low Voltage Epoxy Bushings

Type	:	Low Voltage
Certification	:	ISI Certified
Application	:	Industrial Use
Color	:	Brown
Frequency	:	50hz
Tensile Strength	:	100-125Mpa
Phase	:	AC Single Phase
Warranty	:	1 Year
Min. Order Quantity	:	4 Piece

Epoxy Resin Housings

Size	:	Standard
Type	:	Insulated
Material	:	Epoxy
Application	:	Industrial Use
Color	:	Brown
Technics	:	Machine Made
Surface	:	Polished
Min. Order Quantity	:	20 Piece

Epoxy Cast Housings

Size	:	Standard
Type	:	Insulated
Material	:	Epoxy
Application	:	Industrial Use
Color	:	Brown
Technics	:	Machine Made
Surface	:	Polished
Min. Order Quantity	:	12 Piece

Epoxy Resin Insulator

Type	:	Insulated
Material	:	Epoxy Resin
Shape	:	Round
Certification	:	ISI Certified
Application	:	Control Panels
Color	:	Brown
Tensile Strength	:	100-125Mpa
Power	:	66 KV
Min. Order Quantity	:	6 Piece

Epoxy Link Insulator

Type	:	Insulated
Material	:	Epoxy
Shape	:	Round
Certification	:	CE Certified
Application	:	Control Panels
Color	:	Brown
Tensile Strength	:	100-125Mpa
Warranty	:	1 Year
Min. Order Quantity	:	6 Piece

Epoxy Cast Insulator

Type	:	Insulated
Material	:	Epoxy
Shape	:	Round
Certification	:	ISI Certified
Color	:	Brown
Standard	:	DIN
Warranty	:	1 Year
Min. Order Quantity	:	100 Piece

Epoxy Support Insulator

Type	:	Insulated
Shape	:	Round
Certification	:	ISI Certified
Grade	:	DIN, ETDC
Color	:	Brown
Tensile Strength	:	100-125Mpa
Warranty	:	1 Year

11 KV VCB Spout

Type	:	Insulated
Material	:	Ceramic
Color	:	Brown
Size	:	Standard
Shape	:	Round
Surface	:	Polished

33 KV VCB Spout

Type	:	Insulated
Material	:	Epoxy
Size	:	Standard
Color	:	Red
Shape	:	Round
Surface	:	Polished

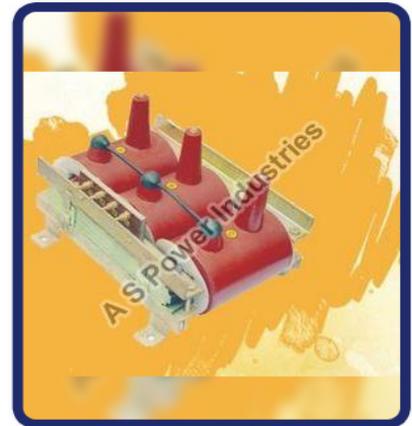

Potential Transformer

Usage	:	Industrial
Type	:	Potential
Material	:	Stainless Steel
Shape	:	Rectangle
Certification	:	CE Certified
Finishing	:	Polished
Rated Voltage	:	11 KV
Phase	:	Single Phase

Resin Cast Transformer

Type	:	Automatic
Material	:	Cast Resin
Shape	:	Rectangle
Certification	:	CE Certified
Voltage	:	440 V
Finishing	:	Polished
Phase	:	Single Phase
Warranty	:	1 Year
Usage	:	Industrial

30 PT Epoxy TR Board

Material	:	Epoxy
Features	:	Resists corrosion & chemicals, Good mechanical strength dimensional stability & Low moisture absorption
Application	:	Power Supply
