# ABOUT US

Manishankar Oils Pvt Ltd is a name of trust in the field of the manufacture, export and supply of Kabira Mustard Oil, Kabira Sesame Oil, Kabira Soyabean Oil, Kisan Mustard Oil, Mustard Seeds, Peeura Mustard Oil, Spices, Almond Oil, Flavored Tea, Kabira Groundnut Oil, Maize Oil, Rapeseed Meal, Refined Canola Oil, Soya Chunks & Vitamin A & D2 Premix. The company values the taste and health of the people and offers them best edible products. The company uses latest technology to prepare these edible products with high nutritive and quality value. These edible oils seeds and cakes are laboratory tested for quality and are in demand for their taste and nutritive benefits.

The company belongs to a family having vast experience in the field. Their values for bringing & maintaining quality and purity in every aspect reflect in the product line. Thus, it is the policy of the company to provide the best products to the consumer. We produce edible products in most traditional way with modern technique.

## Why Us

Apart from manufacturing in standard specifications, we can manufacture as per the norms of a specific country. No matter the buyers need products in specific quality specifications, costs, delivery schedules, or anything else, we can make products available as per buyers' requirements. However, we are preferred by customers due to the following reasons

- Good understanding customer's requirements
- Delivery of value-added products to the customers
- Consistent customer support

## Infrastructure

We are involved in the processes of producing food products at our facility in Jaipur, Rajasthan. We are equipped with hi-tech equipment and tools that enable us to produce and deliver our products in an efficient and timely manner. Our unit is installed with the following machines:

- De-Hulling Machines
- Oil Expellers
- Press Crushers
- Oil Storage Tanks
- Heat Exchangers
- Filters
- Treaters
- Hi-tech Printing Machines
- Packing Machines
- Hi-tech Pouch Machines
