ABOUT US

Sometimes all it takes is a great idea like creating great designer furniture which is up to the owner's expectation, the décor of the home or something one would imagine. We, Ahaan Furniture Studio, bring these ideas into shape to fulfill the requirements of our clients with our range of Furniture. We are a foremost Manufacturer & Supplier of a comprehensive assortment of elegant Furniture that comprises of Bedroom Furniture, Dining Room Furniture, Living Room Furniture, Office Furniture, Office Furniture, Office Furniture and School and Institute Furniture. We offer our exquisite collection of products at the most reasonable prices in India.

Located in Delhi, India, the company was established in the year 2013. Under the headship of Mr. Amandeep Chopra (Partner), the company is growing by leaps and bounds since its inception. With his deep industry knowledge, our organization is gaining a renowned name in the market.

About the Management :

Mr. Inderjit Chopra is a dynamic professional with 38 years of rich experience in Execution & Commissioning, Operations & Maintenance, Man Management and implementation/observance of I.E.Rules and various safety aspects in the state and private sector of H.P. Retired as Electrical Inspector to Govt. of Himachal Pradesh. With his technical knowledge he brings in a lot of expertise in using state of art technology and design in the products they manufacture.

Apart from his involvement in Media, Mr. Amandeep Chopra is a part of his family business of furniture manufacturing since a decade. The manufacturing units are fully operational steel and furniture manufacturing units which are now equipped to manufacture modular home and institutional furniture. Amandeep have added great designs and new technology knowhow to the business and have launched Ahaan Furniture Studio with the idea of catering to those who have a great taste of home décor.

Infrastructure :

We own state-of-the-art infrastructure that is spread across a large area. It is well equipped with all the required resources; men, material and machinery to cater to our large production capacity of a comprehensive assortment of products.

Quality Assurance :

Our quality policy is to maintain the best standards of raw material with service warranty for a long term relation with its clients. The fundamental is to encourage people/institutions to walk in with their imagination and take home the finished product.
