About Us

Incepted in the year 2017, BTA Fasteners is among the reputed Manufacturers, Exporters and Suppliers of assorted range of products. Headquartered at Tirupur (Tamil Nadu), we have been providing our products in different regions of the world namely Europe, North America, South America, Asia etc.

Infrastructure

We have developed modernized infrastructure armed with 80 latest brass machines & 2 die casting machines and modish equipment. Spread over an area 6,000 sq. meters, our workstation is installed with all necessary components which help us to offer customized production facility to our valuable clients. For raw material, we source zinc alloy and brass from trusted vendors of the industry.

We have in-house testing facility allowing us to deliver flawless consignment. We are supported with approximately 200 highly skilled employees working in different departments of the organization.

Quality Policy

We are an ISO 9001:2000 certified company assuring 100% quality in the products we manufacture. Our manufacturing practices are in adherence to set industry standards. The quality control team of our firm thoroughly inspects overall production process. Each and every component manufactured in our firm is minutely examined on defined parameters before final delivery at clients end.

Why Us

We are among the committed professionals delivering best quality products within stipulated timeframe. We prioritize and implement the recommendations of our client to serve them in best possible manner. Rely on us for :

- Highly reliable product range
- Moderate pricing policy
- ISO 9001 :2000 certified firm
