Since 1995, Megha International has been manufacturing, exporting and supplying various dyes that have continuously met and exceeded customer satisfaction. This has enabled us to reach the top in the domain of dye manufacturing. We have consistently maintained this position for the last few since we incepted.

Our range of dyes includes those that can serve various industries. We are the leading manufacturers, suppliers and exporters of various dyes that have won international acclaim as the leading manufacturers from Mumbai, Maharashtra. We have in our product portfolio items like direct dyes, rhodamine dyes, acid dyes, salt-free liquid dyes, indigo dyes, reactive dyes, sulphur dyes, pigments, basic dyes, dyes intermediate, hair dyes, etc. There are various other products in our catalogue that you can have an overview of by just clicking on your mouse and logging into our site.

We assure you that the best base materials go into the manufacturing of our pigments and dyes that are used by various industries. This ensures that there are no unwanted reactions that might cause harm to any of your products or the people involved in the procedure. You can also trust us with our hair dyes that have the superior-most raw materials in them to make them absolutely safe.

Every step of manufacturing is personally overseen by our managing partner, Mr. Devang Mehta to ensure that there is optimum production in our unit. We test every batch of dye to make sure that they are the best in the market.
