# ABOUT US

**S TIRUPATI BALAJI**  
GLASS INDUSTRIES

Established in 1982, S Tirupati Balaji Glass Industries has become a name to reckon with when it comes to premium and quality products. All our products such as Candle Votive, Glassware, Ceramic War, Flower Vases and Melamine Dinner Set are made keeping in mind the latest trends being followed. The company, as a reliable Manufacturer, Supplier and Exporter has gained worldwide appreciations. We have flourished due to the clear vision and consistent guidance of the honorable Partners Mr. Mahesh Chandra Gupta & Mr. Saurabh Gupta, who have based the company's success on their rich knowledge. A well-built infrastructure, a competent team and a specialized facility for customization are the strong foundations on which we are based upon.

## ◆ Infrastructure :

Our state-of-the-art infrastructure is backed with technologically advanced tools and machineries that assist in the qualitative and quantitative production of Novelty and other products. We have a widespread supply and export network that enables quick delivery of products to any place.

## ◆ Workforce :

A team of professionals who have successfully garnered a pool of clients by providing exquisite creations at the best deals are an asset that we have. The team consists of creative designers, experienced craftsmen, sales and marketing executives, and other personnel who adopt the best industry practices to bring different creations to life and make them available.

## ◆ Customization :

Innovative customizations in each product enable us to cater to different clients in the perfect way. We perceive each client as completely different which makes us deliver the products as per their wishes. To do this, we are equipped with a state of the art customization unit which is able to turn out products as per the specifications and drawings given by the clients.

## ◆ Quality Assurance :

Owing to the priority to serve flawless quality products, various stringent quality tests are conducted under the supervision of our quality control executives. For fuller assurance of zero manufacturing defects, our quality controllers & analysts perform quality checks from the very initial stage of procurement of raw materials to the final stage of dispatch of end products in the market.
