Laxmi Construction & Pneumatic Co. is a name that is known in the industry for its affluent knowledge, dedicated personnel, and a highly reliable product line. We are a remarkable manufacturer, exporter, and supplier of jack hammer, pneumatic breaker, drifter button bit, pneumatic mini die grinder, integral drill rod, CP 4711 pneumatic sand rammer, high pressure grout pump, khosla kg2 air compressor, pneumatic screw compressor, and much more. We are dealing in various brands like Chicago Pneumatic, LCC, and Haryson. Under the supervision of our diligent mentors, we are able to carve a niche in the industry today. We ensure that the delivered products are absolutely flawless and well preserved. For ensuring this, we pass the product line after a thorough check on quality by our quality controllers.

Headquartered in Kolkata (West Bengal, India), Laxmi Construction & Pneumatic Co. is one of the acknowledged fraternities that are involved in manufacturing, exporting, and supplying the best quality pneumatic breakers, extension rods, and much more. The brilliant mind behind the establishment of our organization is Mr. Dinesh Pandey (CEO). He laid the foundation stone in the year 2005.

Our Warehousing

After the completion of the production process, the entire spectrum of products is brought to our warehousing unit. Our capacious warehouse accommodates all our products in the best possible manner.

Why Us?

Apart from being a quality-conscious organization, we are also selected by our customers for buying the aforementioned products due to the following reasons:

- Rigorous quality control
- Convenient modes of payment
- Customer-oriented approach
- Prompt and safe delivery
- Ethical business practices
