

Zameer Traders

About us

Zameer Traders was incepted in the years 2013 and currently based in Maharashtra. Given our few years of establishment, we have already carved a niche for ourselves in the market and garnered trust of customers through our superior quality products and exemplary customer service.

Facilities :

Warehouse facility : We have set up an airy, dry and spacious warehouse where all our Fresh Agro Products are stored in clean and hygienic environment. We have hired warehousing experts to ensure our products are kept in optimum conditions.

Furthermore, we have other facilities such as Quality control Facility, Testing and Laboratory and R&D Facility.

Quality Assurance :

We strictly comply with internationally accepted food standards. We ensure our products are fresh, pure and free from contamination. Before packaging, our internal quality control team inspects products for ripeness requirements, quality of moisture, taste, smell and sign of internal decay or damage. We realize how big a responsibility it is to provide safe to consume food products; hence we ensure our products meet health and quality requirements.

Packaging & Shipping :

Packaging : To insure our products from being damaged or contaminated we use excellent quality packaging materials and techniques. All our products are securely packaged in to endure trials like warehousing, transportation etc. furthermore, to help in easy identification, we properly label packages.

Shipping : We have abundant resources to delivery products swiftly and on time. Our delivery network is wide and efficient. We guarantee order delivery at the decided place as per schedule.
