

Sikri Packaging Corporation LLP

Sikri Packaging Corporation LLP has specialised in constructing small format vertical form fill-seal machines for powders, granules and liquids, mainly for single-use packs. We are one of the well-established Manufacturers, Exporters and Suppliers from Kolkata, West Bengal and have developed a sound reputation as one of India's most reliable exporters of quality sachet packaging FFS machines to clients, world over. With our manufacturing base in 3 Countries in Asia.

ABOUT US

Since 1993, Sikri Packaging Corporation LLP has been known to have adhered to the company values of loyalty, consistency and conviction. We are operational from Kolkata, West Bengal and dedicated to serve one and all.

Internationally Compliant Quality :

Our sachet packing machines are specially upgraded for the quality standards in developed countries. Our machines are fully functioning in conformity with CE directives and we can also give a CE compliance certificate for those machines.

Our Support Team :

Our machines are now built using advanced multi-axis control systems, which has been possible due to the efforts of our R&D team and the assistance of international component vendors in the fields of mechatronics, Pneumatics, and motion control.

Client Base :

Since the standards of our quality match the internationally acclaimed standards, we have been able to establish a widespread client base. Some of the main areas of operations are India, USA, Nigeria, UK, Greece, Ghana, Uganda, Kenya, Mauritius, Puerto Rico, Australia, France, Peru, Dominica, Trinidad etc.
