ABOUT US

Zybernet Inc. is a fast-evolving entity in the world of technology and accessories based in Everett, MA, US. The company was incorporated in the year 2004 under the profound guidance of our CEO, Mr. Mike R. Pinnock. We unfailingly work with partners across the globe to procure and purvey ground-breaking products to our clients.

Quality Assurance

Our company is determined to deliver the choicest range of high-quality products that offer excellent reliability, service, and low ownership cost. For this, we have invested in specialized equipment & training that aids in the procurement of high-performing solutions. The products that don't meet our strict guidelines are eliminated. We conduct regular follow-ups until delivery to ensure standards continue to be met.

Team Excellence

Our knowledgeable & experienced staff is the testimony to our strong customer service and customer loyalty. Apart from meticulous sourcing of A-grade products, our specialists provide all of the information in terms of size, technology, capabilities, etc. to assist the clients in making the best buy. Also, they recommend different accessories to enhance the customer experience and derive maximum satisfaction.
